

# Manitowoc LUTHERAN HIGH SCHOOL

# ACADEMIC VOUCHER PROGRAM

## Academic Voucher Program

The Academic Voucher Program is designed to provide an opportunity for area Lutheran elementary students to accrue tuition assistance for high school at MLHS through participation in the annual Academic Fair. This program will foster increased participation at the Academic Fair and encourage families to select MLHS as their choice for secondary education.

## ●●● Voucher Distribution

Names of students who participate in the Academic Fair will be drawn at random to receive a voucher for the face amount towards tuition at Manitowoc Lutheran High School. Based on donations received each year, the goal is for all students who participate to receive a voucher. Vouchers are non-transferable, but are valid for any of the four years that the student attends MLHS. Unused vouchers will be redistributed.

## ●●● Why is the program needed?

Manitowoc Lutheran High School students excel on ACT tests, ranking among the best in the area. Parents and alumni know the value of a Christian education. The faculty at MLHS excels at teaching and retaining students. We need your help to address the financial concerns that prevent students from attending MLHS.

One of the biggest obstacles for new families who are prayerfully considering MLHS for their child is the tuition. This program will distribute vouchers to encourage participation in the Academic Fair and to help offset tuition costs.

●●● How can I help?

First of all, please pray for the success of this program. We believe that this program is a "win, win" situation where the Academic Fair will experience increased participation, the enrollment at Manitowoc Lutheran will increase, and families will receive financial credit towards their students' tuition.

●●● Gladly, my prayers are for this program. Is there anything else I can do?

Another way to help is to sponsor a voucher. A gift of \$100 would sponsor one student. A gift of \$1000 would sponsor 10 students. These are just examples, all gift amounts will be greatly appreciated!

Remember Thrivent Financial for Lutherans and many area employers offer matching programs to further increase your gift.

To build this program and benefit students for many years to come, consider a potential gift of \$200, **or just 55¢ per day for one year!** This would fund two students receiving the gift of an academic voucher.
